The Ultimate In Springers Since 1969

The largest, most respected line of Springer front ends in the industry, just got bigger and better. On the following pages, you'll find an unparalleled selection of NARROW, WIDE and WIDE SHOCK Springers to meet every need and application. Second-to-none in quality and performance, our Springers come fully assembled with a 7/8" or a 1" neck stem, and a Dog Bone or Glide-Style top clamp. Special features include straight, twisted or Wishbone front legs, tapered oval rear legs, flawless craftsmanship, and Paughco's award-winning chrome finish.
CUSTOM ORDER WIDE SPRINGER PACKAGES

HOLD THAT ORDER! Feast your eyes on these ‘drop dead beautiful’ brass, chrome and black Wide Springers with tapered oval rear legs. Just recently perfected to Paughco’s rigid standards for finish and unsurpassed durability, we now offer Springers in chrome and black powdercoat with brass details. Starting with fully polished Springer components, we then plate or powdercoat each piece to perfection before assembling them with love.

Just let us know, and you can have the most respected name in Springers personalize one to fit your scooter. Call today and get a quote for one of these packages.

NOTE: THE HEADLIGHTS SHOWN ABOVE ON PACKAGE A AND D SPRINGERS ARE NOT INCLUDED IN THESE PACKAGES, BUT WE CAN CUSTOMIZE ONE OF THESE FOR YOU AS WELL.... JUST LET US KNOW.

FEATURES INCLUDE:

- Four stylish combinations to choose from
- Our popular wide Springers with tapered oval rear legs and optional chrome shock absorber for improved ride control
- Available in sizes from stock length to 24” over stock length to fit Sportsters and Big Twins
- Can be ordered with mounts on the front legs for a floating front fender kit when combined with a 21” front wheel
- Stock length and 3” over stock length Springers can be ordered with mounts for our 16” front fenders
- Springers 15” over stock and longer have 3° stem angles, but this option is also available on shorter Springers upon request
- Your choice of top clamp... with ears for Dog Bone risers, or without ears for Glide-style risers. A top clamp for T-bars or tall post-style or pullback risers with 3½” centers is also available for Springers less than 15” over stock (additional charge)

To order these parts, call us at 775-246-5738 or toll free at 800-423-2621
FLOATING FENDER KIT

PAUGHCO FLOATING FRONT FENDER KIT
All Paughco Wide Springers can now be ordered (for an additional charge) with mounts on the front legs that will permit the installation of one of our floating front fender kits. The floating fender first appeared on Harley-Davidson FXSTS models with 21” front wheels in 1993. Unlike its predecessor that sat high above the wheel, the floating fender moves up and down with the wheel, maintaining a constant distance between the top of the tire and the bottom of the fender. This kit includes everything you need to install a floating fender on your Paughco Springer (except the fender and axle), provided that your Springer already has the mounts installed. We have two fender choices available... one is a perfect reproduction of a stock HD fender. The other is a custom version that has been shortened, and had the mounting bracket sculpted for a cool, custom look. The replacement parts can be used to replace their OEM counterparts (except #182 and #184AA).

182KIT Complete kit (does not include fender or axle) $666.75
135D Fender – raw steel (repl. OEM 59176-93) $122.95
135DS Custom shortened fender – raw steel $175.95
N186B1 Axle kit for Springers with tapered oval legs $128.95
186B1 Axle kit for Springers with half round rear legs $128.95

REPLACEMENT PARTS
All replacement parts are sold each.
182 Chrome caliper bracket (not for HD Springer) $139.95
184AA Reaction arm with bearings (not for HD Springer) $92.95
182A1 Sockethead screw (replaces OEM 4747) $39.95
182A2 Flat washer for #182A1 (replaces OEM 6371) $7.95
182A3 Shaft nut for #182A1 (replaces OEM 7588) $39.95
182A4 Locknut for #182A1 (replaces OEM 7667) $7.95
182A5 Cotter pin for #182A1 (replaces OEM 534) $7.95
183 Fender pivot link with bushings – 2 links required (replaces OEM 41042-93) $150.95
183A1 Shoulder bolt for #183 – 2 shoulder bolts required (replaces OEM 2723) $39.95
183A2 Pivot stud for #183 – 2 pivot studs required (replaces OEM 2738) $39.95
183A3 Shouldered fender spacer – 2 spacers required (replaces OEM 59043-93) $17.95
183A4 Locknut for #183A1 – 2 locknuts required (replaces OEM 7531) $7.95
183A5 Rubber spacer for #182A3 & #183A2 – 3 spacers required (replaces OEM 11244) $7.95
183A6 White nylon washer for #183 – 2 washers required (replaces OEM 6409) $8.95
183A8 Black nylon washer for #182A3 (replaces OEM 6498) $8.95
**Leaf Spring Fork Assemblies**

These fork assemblies were brought back to life by Kiwi-Indian motorcycles and are upgraded from the original forks built back in the 20's and 30's. They're made from special, swaged one-piece 1¼” heavy-wall (.187”) tubing for the rear leg, along with 3/4” heavy-wall (.120”) for the front leg. The forward spring support legs are solid 3/4” mild steel bar. The rockers have been upgraded with Paughco's special high-strength, self lubricating space-tech cast nylon bushings, for long and reliable service. The forks measure 20”-long from the bottom of the stem to the front axle, and fit on most stock length Harley-type frame necks with 1” bearings. Front wheels from 16” to 21” with 3/4”-diameter axles can be easily fitted, and can be set up with single or dual disc brakes. You get your choice of top clamps... with ears for Dog Bone risers, or without ears for Glide-style risers. A top clamp for T-bars or conventional risers with 3½” centers is also available (an additional charge). These complete assemblies include the cap and crown nuts.

- 177 Chrome fork assembly $2,252.95
- 177PC Polished Copper fork assembly $2,369.95
- 177B Black powdercoated fork assembly $2,658.95
- 177-1 Axle assembly for use when brakes are not desired $148.95
- 177A1 Axle assembly for dual disc Performance Machine brake kits $165.95
- 177A2 Axle assembly for single disc Performance Machine brake kits $165.95
- 177HM Headlight mount (includes Paughco #527E-1 and hardware) $139.95

*To order these parts, call us at 775-246-5738 or toll free at 800-423-2621*
**Narrow Springers with Tapered Oval Rear Legs**

These Springer fork assemblies come assembled with the fork stem, top nut, crown nut, top clamp, and inner and outer springs. Springers 15" and longer have 3° stem angles (available on the shorter Springers upon request). Use with single disc brake and narrow 19" or 21" wheels ONLY. Please specify the size of the neck stem you want when ordering (1" diameter for Big Twins or 7/8" diameter for Sportsters). You can choose the style of top clamp you want... with ears for dog bone-style risers or without ears for Glide-style risers (shown). A top clamp for T-bars or tall post-style or pullback risers with 3½" centers is also available for Springers up to 12" over stock (additional charge). Springers can be special ordered with Twisted or Wishbone front legs (additional charge).

Or e-mail us at info@paughco.com
Tapered Leg Springers for Late Sportster & Dyna Models

Special Notes:
1) Can be ordered with or without fender mounts.
2) Use special axles on page 117.
3) Springers can be black powdercoated or ordered with twisted or Wishbone front legs instead of straight legs at additional cost.

Wide Springers with Tapered Oval Rear Legs For 2004-Up Sportsters and Dynas

These Springer fork assemblies come fully assembled and bolt-on to all 2004-up Sportsters and Dyna Glides. Use the 3” over stock length Springer on Dyna Glides and standard height Sportsters, and use the stock length Springer on Sportster models that came lowered from the factory. Please specify the style of top clamp you want..... with ears (for dog bone style risers) or without ears (for Glide style risers). All of these Springers can be ordered with twisted or Wishbone front legs (see facing page).

- **Wishbone**: Wishbone front leg (when ordered with Springer) $199.95
- **Twisted**: Twisted front leg (when ordered with Springer) $399.95
- **Powdercoat**: Black powdercoating (when ordered with Springer) $150.00
- **161WT-SPR**: Chrome top clamp for T-bars or tall post-style or pullback risers (when ordered with Springer) see catalog page 42 $259.95

**Replacement Chrome Springs**

Sold in pairs (see catalog page 44).

- **162**: Top springs $99.95
- **163**: Bottom springs $111.95
- **163C2**: Bottom inner springs $82.95
- **163C4**: Top inner springs $82.95

**Special Notes:**

1) **Will not work on Touring models**
2) **Can be specially ordered with mounts for a floating front fender kit (see catalog page 28)**

To order these parts, call us at 775-246-5738 or toll free at 800-423-2621
**Wide Shock Springers With Round Rear Legs**

These new fork assemblies feature 1.875” thick wall 1¼” diameter round rear legs, and come assembled with the fork stem, top nut, crown nut, top clamp and outer springs. Please specify the size of the neck stem you want when ordering (1” diameter for Big Twins or 7/8” diameter for Sportsters). You can choose the style of top clamp you want... with ears for dog bone style risers or without ears for Glide-style risers (shown). A top clamp for T-bars or tall post-style or pullback risers with 3½” centers is also available (additional charge).

Overall width of the rear legs is 9¾”. Distance between rockers where the axle goes is 9¼”. Distance between the inside of the front legs is 8”. Distance between the inside of the rear legs is 7¼”.

**Optional Add-Ons**

- **Wishbone** Wishbone front leg (when ordered with Springer) $199.95
- **Twisted** Twisted front leg (when ordered with Springer) $399.95
- **Powdercoat** Black powdercoating (when ordered with Springer) $150.00
- **161WT-SPR** Chrome top clamp for T-bars or tall post-style or pullback risers (when ordered with Springer) see catalog page 42 $259.95

**Axles**

Paughco Wide Springers require 3/4” diameter axles and cannot use stock H-D axles... please select from the offerings below (see catalog page 117).

- **N186-1** For single or dual flange wide hub wheels when no brakes or speedometer drive are required $148.95
- **N186A1** For single or dual flange wide hub wheels when used with Performance Machine’s 125X2 calipers in single or dual disc applications. There is no provision for a speedometer drive $137.95
- **N186A2** For use with single disc 1984-1999 FXST Softail hubs with OEM bearing spacers removed (other hubs may require different spacing). Use with Paughco #’s 184LK-11 or 184RK-11 caliper kits (sold separately) $175.95
- **N186A2DD** For use with 1973-1984 4-speed FL, and 1980-1983 dual disc FXWG hubs with OEM bearing spacers removed (other hubs may require different spacing). Use with Paughco #184LK-11 and #184RK-11 PM caliper kits (sold separately) $189.95
- **N186B1** For use with single disc 1984-1999 FXST Softail hubs and the OEM Springer caliper mount $148.95

**Replacement Parts**

Springs are sold in pairs (see catalog page 44).

- **162-1** Chrome top springs $85.95
- **163-1** Chrome bottom springs $112.95
- **175** Chrome shock with bushings and hardware (sold each) $215.95

**Special Notes:**

1) **Will not work on touring models**
2) **Can be specially ordered with mounts for a floating front fender kit (see catalog page 28)**

Billet Aluminum 39mm Triple Trees For Sportster and Dyna Models

Machined entirely in the Paughco plant, before being chrome-plated or given a beautiful coating of black satin or gloss black powdercoat. Available with conventional external fork stops, or set-up to use internal fork stops for a clean look.

**INTERNAL STOP TREES FOR BOTTOM MOUNT HEADLIGHTS**

Disc and pins are included with each set.

- **02-221** Chrome with 3° Rake $583.95
- **02-221GB** Gloss black with 3° Rake $583.95
- **02-221SB** Satin black with 3° Rake $583.95

**INTERNAL STOP TRIPLE TREES WITH HEADLIGHT MOUNT**

These trees have tapped holes on the top clamp that will accept an OEM ‘eyebrow.’ Disc and pins are included with each set.

- **02-233** Chrome with 3° Rake $583.95
- **02-233GB** Gloss black with 3° Rake $583.95
- **02-233SB** Satin black with 3° Rake $583.95

**EXTERNAL STOP TRIPLE TREES FOR BOTTOM MOUNT HEADLIGHTS**

- **02-226** Chrome with 3° Rake $583.95
- **02-226GB** Gloss black with 3° Rake $583.95
- **02-226SB** Satin black with 3° Rake $583.95
- **02-227** Chrome with 5° Rake $583.95
- **02-227GB** Gloss black with 5° Rake $583.95
- **02-227SB** Satin black with 5° Rake $583.95

**EXTERNAL STOP TRIPLE TREES WITH HEADLIGHT MOUNT**

These trees have tapped holes on the top clamp that will accept an OEM ‘eyebrow.’

- **02-231** Chrome with 3° Rake $583.95
- **02-231GB** Gloss black with 3° Rake $583.95
- **02-231SB** Satin black with 3° Rake $583.95
- **02-234** Chrome with 5° Rake $583.95
- **02-234GB** Gloss black with 5° Rake $583.95
- **02-234SB** Satin black with 5° Rake $583.95

**TOOLS AND HARDWARE**

- **02-170** Tool to remove four-hole neck sleeve on Narrow Glide trees (not shown) $41.95
- **359E** Chrome sockethead riser mounting bolts for Narrow Glide trees (1/2”–20 x 1¾”) sold in pairs $21.95

**SPECIAL NOTES:**

1) These Triple Trees come standard with a 1”-diameter neck stem, but may be specially ordered with a 7/8”-diameter neck stem. Ask your sales rep for more information.

To order these parts, call us at 775-246-5738 or toll free at 800-423-2621
INTERNAL STOP TRIPLE TREES FOR WIDE GLIDES

SPECIAL NOTES:
1) WILL NOT WORK ON HERITAGE SOFTAIL, FAT BOY OR DEUCE MODELS

CHROME-PLATED BILLET ALUMINUM TRIPLE TREES WITH INTERNAL FORK STOPS FOR 41MM WIDE GLIDE FORKS

Made entirely on state-of-the-art CNC mills in the Paughco plant, before being given a beautiful coating of chrome. They feature internal fork stops for a clean look, and each set comes complete with a 1” neck stem and the disc and pins.

02-321 3° Rake _______________________________ $583.95
02-322 6° Rake _______________________________ $583.95

TOOLS AND HARDWARE
02-170 Tool to remove four-hole neck sleeve on Wide Glide trees (not shown) _______________________________ $41.95

**Fork Cups & Kits**

**Fork Cup Kits And Internal Fork Stop Kits**

**FOR BIG TWINS AND SPORTSTERS**

All of the kits include the chrome fork cups, bearing races, Timken bearings and chrome dust shields.

**FOR BIG TWINS AND SPORTSTERS**

These kits and components should only be used on triple trees that have a 1" diameter stem as fitted to Big Twin models from 1960 thru 1988 and Sportster models from 1982 thru 1985 equipped with the 5½" tall cast neck that uses fork cups (neck measurement is taken without fork cups installed).

- **142** Stock replacement fork cups with bearing races ONLY $71.95
- **142-1** Stock replacement fork cup kit $122.95
- **142-1FS** Stock replacement fork cup kit with hidden internal fork stops for frames without molded-in neck cups $299.95
- **142FS** Replacement disc and pins for Paughco #142-1FS $71.95

**FOR EARLY SPORTSTERS**

These kits and components should only be used on triple trees that have a 7/8" diameter stem as fitted to Sportster models from 1978 thru 1981. These models have the cast "hourglass" neck that measures 5" tall (without fork cups installed).

- **142-1SP** Stock replacement fork cups with Timken bearing races ONLY (OEM 48310-78) $71.95
- **142SP** Timken bearing fork cup kit for 1978–1981 models (can also be installed on 1954–1977 models with minor modifications... see note) $128.95
- **142-2FS** Timken bearing fork cup kit with hidden internal fork stops for frames without molded-in neck cups $270.95
- **142FS** Replacement disc and pins for Paughco #142-2FS $71.95

**Special Note for Paughco #142SP:**

Requires 3-4 thousands of press-fit. On all early Sportster and 45" models, the fork neck ball bearing set has a lower bearing guard that needs to be removed. It can be ground off or cut off. The neck stem measures 7/8" O.D. at the top, but the O.D. is 15/16" at the bottom, so it needs to be either ground down to accept a 7/8" I.D. Timken bearing, or shimmed inside the wall of the bearing to accept a 1" I.D. Timken bearing.

FORK STEM COMPONENTS

FORK STEM BEARINGS, COVERS AND CAP NUTS
FOR BIG TWINS AND SPORTSTERS

A nice selection of these critical components for use in new installations or as replacement parts.

FOR BIG TWINS

- **142K** Complete fork cup kit for Paughco 5-speed rubbermount frames (includes Paughco #5 142B Timken bearings, 142C dust shields and 142R races) **$68.95**

- **142A** Chrome dust shield set for Glide and Springer front ends (OEM 48361-80) **$17.95**

- **142B** Timken bearings (sold in pairs) **$35.95**

- **142C** Dust shield set for one-piece neck **$21.95**

- **142R** Races ONLY for FXR and Big Twin fork cups (sold in pairs) **$21.95**

- **142FS** Disc and pins for Paughco #142-1FS **$71.95**

- **158** Cap-style top nut for stock 45' Springers (sold each) **$41.95**

- **159** Cap-style top nut for 1"-diameter necks (sold each) **$47.95**

FOR SPORTSTERS

- **142SPA** Crown nut for Springer front ends when used with Paughco #142-3SP (2½'-long x 1½'-diameter x 7/8' ID) sold each **$41.95**

- **142SPB** Crown nut for stock Glide front ends when installing a Paughco Sportster fork cup kit (1½'-tall) sold each **$21.95**

- **142R** Races ONLY for Sportster fork cups (sold in pairs) **$21.95**

- **142FS** Disc and pins for Paughco #142-2FS **$71.95**

- **142-2SP** Fork cup dust shield set **$11.95**

- **142-3SP** Timken bearings (sold in pairs) **$68.95**

- **158** Cap-style top nut for 7/8"-diameter necks (sold each) **$41.95**

To order these parts, call us at 775-246-5738 or toll free at 800-423-2621
**FORK STEMS & COMPONENTS**

**FORK STEMS, CLAMPS AND CAP NUTS FOR BIG TWINS AND SPORTSTERS**
A nice selection of these critical components for use in new installations or as replacement parts. Sold each.

**REPLACEMENT TOP CLAMPS**
The distance between the riser stud holes on the top clamps is 4¾” (except Paughco #161WT).

- **161** 0° in-line top clamp for all Paughco Springers (except N181SD and NS181SD series Springers) that measure less than 15” over stock length .......................... $197.95
- **161WT** Same as Paughco #161 top clamp but with mounting holes that permit the installation of T-bars or tall post-style or pullback risers on standard 3½” centers (use Paughco #160K to cover the exposed riser stud holes) ........ $359.95
- **N161A** 3° in-line top clamp for all Paughco Springers (except N181SD and NS181SD series Springers) that measure 15” over stock length or more ........................................ $197.95
- **N161SD** Offset top clamp for N181SD and NS181SD series Springers .................................................. $197.95
- **160** 0° Dog Bone in-line top clamp for all Paughco Springers (except N181SD and NS181SD series Springers) that measure less than 15” over stock length (use Paughco #160K to cover the exposed riser stud holes) .......... $197.95
- **N160A** 3° Dog Bone in-line top clamp for all Paughco Springers (except N181SD and NS181SD series Springers) that measure 15” over stock length or more (use Paughco #160K to cover the exposed riser stud holes) ........ $197.95
- **160A** 0° Dog Bone offset top clamp for early stock Harley-Davidson Springers ONLY .................. $197.95
- **160K** Kit for covering riser stud holes when using Dog Bone risers or Paughco #161WT top clamp ........ $41.95

**NECK STEMS**

- **170B** For Big Twins with ball bearing necks (10¾"-long x 1"-diameter) ........ $102.95
- **170T** For Big Twins with Timken bearing necks (10¾"-long x 1"-diameter) ........ $102.95
- **171B** For Sportster and 45° models with ball bearing necks (10½"-long x 7/8"-diameter) ................... $102.95
- **171T** For Sportster and 45° models with Timken bearing necks (10½"-long x 7/8"-diameter) ................ $102.95

**CAP NUTS AND CROWN NUTS**

- **159** Cap-style top nut for Springers and Wide Glides with 1"-diameter necks ........................................ $47.95
- **158** Cap-style top nut for Sportsters and stock 45° Springers with 7/8" diameter necks ........ $41.95
- **170** 74° OEM-style top nut for Springers .................. $35.95
- **171** Sportster top nut for Springers .................. $35.95
- **170A** 74° OEM-style crown nut for Springers .................. $61.95
- **170ASD** Replacement crown nut for Paughco Springers for Sportsters and Dyna Glides (similar in appearance to Paughco #170A) ........ $55.95
- **171A** Sportster crown nut for Springers with 7/8"-diameter ball bearing neck stems (2½"-long x 1½"-diameter) ........ $55.95
- **142SPA** Sportster crown nut for Paughco Springer fork cup kit with 7/8"-diameter Timken neck stem (2½"-long x 1½"-diameter) ........ $41.95

**SPRINGER REPLACEMENT PARTS**

**REPLACEMENT PARTS FOR PAUGHCO AND HD SPRINGERS**

A selection of the most commonly replaced parts on most Paughco and stock HD Springer forks. Sold in pairs unless noted otherwise.

**166** Acorn nuts for all Paughco Springers and early HD Springers with 1/2”–20 thread pitch (OEM 45648-36) $35.95

**165** Spring rod top nuts for early HD Springers (OEM 45647-36) $35.95

**165-1** Spring rod top nuts for Paughco Springers with shocks $75.95

**165-2** Spring locators for all Paughco Springer front legs $41.95

**164** Spring rods for Paughco Springers without shocks (11 3/4”-long overall) $55.95

**164-1** Spring rods for shock-style Springers – 12 1/4”-long overall (not shown) $71.95

**167** Spring rod balls for HD Big Twin and 45” Springers $68.95

**169** Rocker studs for pre–1948 HD Big Twin Springers with 1/2”–20 thread pitch (set of 4) $146.95

**169B** Rocker studs with 1/2”–20 thread pitch for Paughco Springers (set of 4) $194.95

**169C** Rocker studs with 1/2”–20 thread pitch for Paughco wide Springers when using Paughco #’s 135EP and 135EPB front fenders for 1936–1948 Big Twins (set of 4) not shown $198.95

**ROCKERS AND BUSHINGS**

Rockers are drop forged and chrome-plated, and come with bushings pre-installed. Sold in pairs.

**168** With 5/8” axle holes for HD 45” Springers $199.95

**168-1** With 3/4” axle holes for use with all 3/4” Paughco axles and axle kits (see axles on pages 116-118) $199.95

**168A** Rocker bushings for use with Paughco #168 and #168-1 rockers ONLY (set of 4) $35.95

**To order these parts, call us at 775-246-5738**

**OR TOLL FREE AT 800-423-2621**
Fork Accessories

Wind Guards
Chrome-plated or black powdercoated, and easy to mount to Glide front ends. Deflects wind away from your legs and feet. A beautiful addition to any Touring model.

14 Chrome-plated for all 1960–1984 FL and FLH models. Will not fit FX models (repl. OEM 58123-77) _____________ $112.95

For 1983-up Touring Models
Fits 1983-up FLHT, FLHS, FLHR and FLHRC models. Does not fit models equipped with fairing lowers or lighted fork slider kits. Does not fit FLHX Street Glide models or models equipped with Custom Front Bullet Turn Signal Kits (OEM's 69577-06 and 69492-05).

14A Chrome (repl. OEM 58121-85B) _____________ $112.95
14AB Black powdercoat __________________________ $112.95

Heavy-Duty Polyurethane Handlebar Damper Kit
If it's time to upgrade your handlebars, don't forget to replace the rubber dampers. Polyurethane bushings provide excellent vibration damping while providing superior deflection resistance for much improved steering feel. Includes thick chrome washers and steel sleeves. Fit many models from 1973 to present.

01-155 Sold in sets ____________________________ $25.95
